Dear Valued Patient,

We're excited to share some important news about the future of your care.

Metro Pain Associates has officially partnered with Commonwealth Pain & Spine, a respected leader in interventional pain management. This partnership will allow us to enhance our services while continuing the same high level of care you've come to expect.

**What does this mean for you?**

- Your office location, doctor, and treatment plan will stay the same. Dr. Reasor will continue seeing patients and leading care as he always has.
- You may notice the Commonwealth Pain & Spine logo on our doors, invoices, and other materials.
- You could see an expansion in services and improved office support for a smoother patient experience.

**We want you to know a little more about our new partner.**

Commonwealth Pain & Spine has been serving patients since 2012 and is headquartered in Louisville, Kentucky, just steps away in the same office park!

The Commonwealth team includes highly experienced staff and dual-board-certified physicians committed to compassionate, personalized care like ours. Together, we're focused on providing the most advanced treatment options available, always with your comfort and quality of life in mind.

If you have any questions or concerns, please don't hesitate to contact your care team or speak with your provider at your next appointment. We're here for you and look forward to continuing to provide the exceptional care you deserve.

Warm regards,

Gary Reasor, M.D.
